Not able to confirm voter records in Ohio and North Carolina are for the same voter.

Voter Details

These voters appeared on supplemental lists in different years but did not appear on NCOA lists according to the records maintained by the Butler County Board of Elections.

One voter (Veeneman) did appear on an NCOA list in 2011 but not with a matching address.

Board Recommendation

All of these voters have received a supplemental notice from Butler County. Since these voters did not appear on a NCOA list indicating they moved to North Carolina, and there is no personal identifying information to compare, the Directors recommend to deny the challenge.
