

There is No Substitute for American Freedom and Exceptionalism

Since President Trump's re-election and the advancement of his America First agenda, our nation faces challenging times. We as Americans and military veterans, are called to uphold our oath of allegiance and step into leadership roles with unwavering resolve.

With that said, I wholeheartedly endorse Marcell Strbich to serve as Ohio's next Secretary of State. As retired Air Force intelligence combat veteran, a devoted husband, father, and America First patriot, Marcell is uniquely qualified to lead Ohio's elections.

Times like these demand principled men and women who lead with courage, conviction, and competence on the issues that matter most, including election integrity and security. The fight for our constitutional republic hinges upon electing America First patriots, which is why I strongly endorse Marcell Strbich. Marcell is the leader Ohio needs right now.

Sincerely,

Honorable Michael T. Flynn
